

## The UN Global Compact's Principles

1. Businesses should support and respect the protection of internationally proclaimed human rights within their sphere of influence.
2. Businesses should ensure that their own operations are not complicit in human rights abuses.
3. Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining.
4. Businesses should uphold the elimination of all forms of forced and compulsory labour.
5. Businesses should uphold the effective abolitions of child labour.
6. Businesses should eliminate discrimination in respect of employment and occupation.
7. Businesses should support a precautionary approach to environmental challenges.
8. Businesses should undertake initiatives to promote greater environmental responsibility.
9. Businesses should encourage the development and diffusion of environmental friendly technologies.
10. Businesses should work against corruption in all its forms, including extortion and bribery.
